

OXFORD UNIVERSITY

OPEN DAY

Friday 14th September 2012

Mathematics and its Joint Degrees at Oxford

Morning and afternoon programmes of short talks at

The Mathematical Institute,

24-29 St Giles, Oxford

- 10.30 and 2.30 *Mathematics at University* (appropriate for all)
- 11.00 and 3.00 *Applying to Oxford* (for all)
- 11.30 and 3.30 *1089 And All That* (for all)
- 2.00 either *The Mathematics and Statistics Courses* (for Maths & Stats/Maths)
- or *The Mathematics and Philosophy Course* (for Maths & Phil)

Those students interested in the joint course with Computer Science should also attend the *Computing at Oxford* talk which takes place in the Computing Laboratory at noon.

- Current students and tutors will be available to answer your questions
- Refreshments are available 10.00-10.30 and 4.00-4.30
- An enquiry desk will be open until 4.30pm
- Registration is not required for these open days, but if you require further information please contact:

Any queries please call 01865 615205 or email: opendays@maths.ox.ac.uk

- Many of the Oxford Colleges run their own open days on these days. These typically require registration with the particular college. It is hoped that most visitors will be able to attend one of the repeated sets of talks above and take part in a college open day. See

http://www.ox.ac.uk/admissions/undergraduate_courses/open_days/

for details of the college open days
