

12th April 2017

Trinity Term 2017 – Teaching Information

Revision and Examinations

1. Trinity Term Lecture List

The up-to-date list can be found on the website at

<https://www.maths.ox.ac.uk/members/students/lecture-lists>

2. Collections

TT Prelims (HT work) and Part A (long options) collections are available for your use at <https://www.maths.ox.ac.uk/members/teaching-staff/restricted>. Members of academic staff and postdocs will be able to access this site using a valid Mathematical Institute computer account username and password. If you are a member of academic staff, or a postdoc who teaches in a college, and you do not have such an account you can apply using the form at https://www.maths.ox.ac.uk/system/files/attachments/application-form_1.pdf. As always, electronic files of past exam papers may be downloaded by following the instructions at

<https://www.maths.ox.ac.uk/members/teaching-staff/examinations/past-paper-sources>

3. Part B and C Consultation Sessions

The schedules of consultation sessions will be posted at:

<https://www.maths.ox.ac.uk/members/students/undergraduate-courses/ba-master-mathematics/examinations-assessments/consultation>

4. Examinations

Examination Timetables are (or will shortly be) available on the website at

<http://www.ox.ac.uk/students/academic/exams/timetables>

5. Prelims Preparation Lecture

This will be held on **Friday week 4 (19th May) at 11am** in L1 and delivered by Dr Richard Earl, accompanied by other faculty and students. The lecture includes advice on the examination's format, protocol and revision techniques.

6. Prelims Timetable

The five prelims papers are timetabled for Monday-Thursday afternoons and Friday morning in Week 9 in the order Mathematics I, IV, II, III, V.

7. Finals Forum

This will be held for all second and third year undergraduates on **Friday of Week 2 (5th May) at 3pm** in L2 at the Mathematical Institute and delivered by Dr Richard Earl, accompanied by other faculty and students. The forum includes details about the formats of the Part A and Part B examinations and also advice on revision techniques; it is primarily (but not wholly) aimed at those who consider themselves rather nervous and less than confident examinees.

8. Part A Short Options

Tutors are reminded that a list of colleges willing to share teaching of short options is available at <https://goo.gl/A6X49j>. Tutors should liaise directly with any colleges if they wish to discuss sharing teaching.

Preparation for 2017/2018

9. Part B and C Options

Details of all courses will be published towards the end of term. Registration for courses will be online. Registration closes on **Friday of Week 10 (30th June)** and students will be emailed when it is open: details are available at <https://courses.maths.ox.ac.uk/>.

Please note that the schedules of courses that are permitted to be taken by Part B and Part C students will be published in the schedule of units section of the course management website <https://courses.maths.ox.ac.uk/>. Students who wish to take any courses which are not listed in the synopses will require special approval by Education Committee.

10. Options Fairs Monday 15th May.

Part B Options Fair

In order to assist second year students choosing options in Part B, representatives from subject panels will be present in the Institute from **3.30pm to 5.00pm on Monday of Week 4**. Representatives will discuss their panel's options and projects with interested students. Further details will be sent to tutors and students nearer the time.

Part C Options Fair

In order to assist third year students choosing options in Part C, representatives from subject panels will be present in the Institute from **2.30pm to 3.30pm on Monday of Week 4**. Representatives will discuss their panel's options and projects with interested students. Further details will be sent to tutors and students nearer the time.

The Options Fair will be followed by a drinks reception from 5-6pm to give students from different colleges the opportunity to meet.

11. Projects Lecture

There will be a lecture by the Chair of Projects Committee (Dr Earl) on project preparation for students who will be in Parts B and C in 2017/18, who are potentially interested in completing a project. This will be held **3.30pm to 4.00pm on Monday Week 4 (15th May)** as part of the Options Fairs.

12. Mathematics and Philosophy students 'tea' and presentation on Part C options.

There will be a discussion of fourth year options for the benefit of third year students in Week 1. This will be held at **3pm on Wednesday of Week 1 (26th April) in C2**, Mathematical Institute. At 4pm there will be a 'tea' held for *all* Mathematics and Philosophy students.

13. English Language Classes for Overseas Students

We would just like to draw to your attention the English language courses available at the University's Language Centre for any overseas students who may need some additional help. Details of courses can be found at <http://www.lang.ox.ac.uk/courses/english.html>

The Language Centre will also be offering a week-long intensive course in academic writing for overseas students, post-docs and contract researchers in Week 9 of TT for more details on this course please contact the Language Centre directly at admin@lang.ox.ac.uk

Finally pre-sessional English Language Courses are available in July/August/September for overseas students before they arrive for more information please go to:

<http://www.lang.ox.ac.uk/courses/english-pre-ses.html>

14. Open Days

There will be Departmental open days on the Saturdays, 22nd and 29th April. These are large events with many prospective students attending. Details will be circulated by email in due course but it is hoped that students and tutors alike will be able to support one or both days, during the lunch breaks (12.30-2pm), to help answer questions.

15. NSS feedback

The deadline for responding to the National Student Survey is 30th April. If students **in their last year** have not already completed this survey, please encourage them to do so before the deadline.

Dr Richard Earl
Director of Undergraduate Studies
