### Data Protection

All data are securely held in the Development Office and will be treated confidentially and with sensitivity for the benefit of the University and its members. The data are available to our international offices, Colleges, faculties, academic and administrative departments, recognised alumni societies, and sports and other clubs associated with the University, and to agents contracted by the University. Data are used for a full range of alumni and development activities. These may include fundraising programmes, which may include an element of direct marketing.

### Americans for Oxford, Inc.

Americans for Oxford, Inc. has been determined by the U.S. Internal Revenue Service to qualify under Sections 501(c)(3) and 509(a) of the Internal Revenue Code as a tax-exempt public charity. Tax-deductible contributions may be made to Americans for Oxford, Inc. which seeks contributions to benefit the University and its colleges.
