28 April 2011

To: Senior Mathematics Tutors (also by email to all college mathematics tutors)

**Trinity Term 2011 – Teaching Information****Revision and Examinations****1. Trinity Term Lecture List**

The up-to-date list can be found on the website at

<http://www.maths.ox.ac.uk/notices/lecture-lists/>.

**2. Collections**

Revised TT Mods and Part A collections (based on HT work) are available for your use with first and second year undergraduates at <https://www.maths.ox.ac.uk/teaching-staff/restricted/teaching-material/>. Members of academic staff and postdocs will be able to access this site using a valid Mathematical Institute computer account username and password. If you are a member of academic staff, or a postdoc who teaches in a college, and you do not have such an account you can apply using the form at <http://www.maths.ox.ac.uk/help/forms/application-form.pdf>. As always, electronic files of past exam papers may be downloaded by following the instructions at <http://www.maths.ox.ac.uk/teaching-staff/examinations/past-papers-src/>.

**3. Part B and C Consultation Sessions**

The schedules of consultation sessions will be posted by the end of Week 0 at:

<http://www.maths.ox.ac.uk/current-students/undergraduates/examinations/consultation/>.

**4. Examinations**

Examination Timetables are available on the website at

<http://www.admin.ox.ac.uk/schools/oxonly/timetables/index.shtml>.

**Preparation for 2011/2012****5. Part B and C Options**

Details of all courses will be published in the Part B and C Synopses towards the end of term. Again registration for courses will be online. Registration closes in week 9 and students will be emailed when it is open: details are in the synopses and at

<http://www.maths.ox.ac.uk/courses>.

**6. Part C options ‘tea’**

In order to assist students choosing options in Part C, representatives from as many panels will be present in the Institute from **3.00 to 4.30pm on Friday of Week 8**. Representative will discuss their panel’s options and projects with interested students. Again, further details will be sent to tutors and students nearer the time.

**7. Projects Lecture : preparation for an Extended Essay or Dissertation**

Professor Heath-Brown will offer a lecture on project preparation for students who will be in Parts B and C in 2010/11. This will be held on Friday Week 8 as part of the Part C options tea.

**8. Mathematics and Philosophy students ‘tea’ and presentation on Part C options in Mathematical Logic.**

There will be a ‘tea’ and discussion of fourth year options for students in Week 1. This will be held on **Wednesday 27 April** in the New Common Room, Merton College at 3.15pm.

**9. English Language Classes for Overseas Students**

We would just like to draw to your attention the English language courses available at the University’s Language Centre for any overseas students who may need some additional help. Details of courses can be found at <http://www.lang.ox.ac.uk/eas.html>

The Language Centre will also be offering a week-long intensive course in academic writing for overseas students, post-docs and contract researchers in Week 9 of TT for more details on this course please contact the Language Centre directly at [admin@lang.ox.ac.uk](mailto:admin@lang.ox.ac.uk)

Finally pre-sessional English Language Courses are available in July/August/September for overseas students before they arrive for more information please go to:  
<http://www.lang.ox.ac.uk/courses/pre-ses.html>

**10. Summer Essay Competition**

We regret we are unable to run the summer essays competition this summer

**11. Summer Projects**

We are pleased to note that these are growing in number. These are usually for students in Parts B and C. Project titles from faculty available to supervise projects over the summer of 2011 are posted at <http://www.maths.ox.ac.uk/current-students/undergraduates/projects>.

**Dr R Earl**  
**(Acting Director of Undergraduate Studies)**
