

# Map the System 2023

Do you want to see a **positive change in the world** around you, but you're not sure where to start? Join the competition that asks you to explore, probe and research the issues that matter to you, and share your findings with the world.

Map the System is a global competition that challenges participants to use systems thinking as a guiding approach to understanding some of the most complex issues the world faces today. You'll have a chance to compete for awards & prizes in this global and prestigious competition organised by the Skoll Centre for Social Entrepreneurship at the Saïd Business School, University of Oxford. Register online by **31 January 2023**: [Register for Map the System 2023](https://mapthesystem.sbs.ox.ac.uk/).

- Build your research and presentation skills

- Forge new connections with socially-conscious students, innovators and changemakers

- Prepare for future career openings and internship opportunities

- Compete for excellence awards, cash prizes and the chance to present at the online Global Semi-Finals and Grand Finale in Oxford alongside teams from all over the world
