

Atmospheric, Oceanic & Planetary Physics Virtual Open Day

Thursday 15th December 2022

Department of Physics

Find out more about DPhil (PhD) opportunities in the Atmospheric, Oceanic & Planetary Physics sub-department at the University of Oxford. Join us to meet supervisors as well as some of our postdocs, and hear brief talks on their research. There will also be drop-in sessions with supervisors and students, with ample opportunity for you to ask questions.
