</table>
| 11:00-11:30| **Coffee (Mezzanine)**
Refreshments will be available in the Mezzanine. An Information Desk will be operating and prospectuses will be available |
| 11:30-11:50| **Introduction (L2)**
A short introductory talk about the variety of ways in which university maths differs from A-level maths. |
| 11:50-12:15| **Mathematics at Oxford (L2)**
A talk by Dr Richard Earl on how the Oxford experience of university maths is different, and an overview of the different courses we offer |
| 12:15-12:30| **A Day in the Life (L2)**
Our current students will talk about their experiences of daily life as an undergraduate mathematician |
| 12:30-13:00| **Applying to Oxford (L2)**
A talk by our Admissions Coordinator on the admissions procedure, followed by a question and answer session |
| 13:00-13:30| **Pure Mathematics (L2)**
A talk by Dr Vicky Neale on aspects of pure mathematics |
| 13:30-14:15| **Buffet Lunch (Mezzanine)**
With opportunities to meet our current students and lecturers |
| 14:15-14:45| **Financial Support (L1)**
Information about financial support for our students |
|            | **Mathematics and Philosophy (L2)**
Information about the joint honours course |
| 14:45-15:15| **Probability and Statistics (L2)**
A talk featuring probability and statistics, investigating how these are applied in the world around us. |
| 15:15-15:45| **Applied Mathematics (L2)**
A talk on the many different ways mathematics can be applied to real-world situations |

After the talks, there will be an opportunity to visit colleges.
