## Part B

### B1. Academic standards

- a. *How do academic standards achieved by the students compare with those achieved by students at other higher education institutions of which you have experience?*

The academic standards achieved by the students met or exceeded those at my own institution (Warwick) as well as others with which I am familiar.

- b. *Please comment on student performance and achievement across the relevant programmes or parts of programmes (those examining in joint schools are particularly asked to comment on their subject in relation to the whole award).*

The students performed well overall in both Parts B and C. (There were 4 firsts in Part B and 8 in Part C.) There was no significant difference in performance between the Mathematics and Philosophy papers, with a number of students performing strongly in both subjects.

### B2. Rigour and conduct of the assessment process

*Please comment on the rigour and conduct of the assessment process, including whether it ensures equity of treatment for students, and whether it has been conducted fairly and within the University’s regulations and guidance.*

The exam board was conducted in a fair and rigorous manner. Due consideration was given to extenuating circumstances.

### B3. Issues

*Are there any issues which you feel should be brought to the attention of supervising committees in the faculty/department, division or wider University?*

No.

### B4. Good practice and enhancement opportunities

*Please comment/provide recommendations on any **good practice and innovation relating to learning, teaching and assessment**, and any **opportunities to enhance the quality of the learning opportunities** provided to students that should be noted and disseminated more widely as appropriate.*

The current procedures seem to be working well.

B5. Any other comments

*Please provide any other comments you may have about any aspect of the examination process. Please also use this space to address any issues specifically required by any applicable professional body. If your term of office is now concluded, please provide an overview here.*
