He also provided a list justifying the changes and contrasting with the old questionnaire. It was decided submit the Questionnaire to JCCU before the meeting on Monday of 4th week .It was also decided to distribute the Questionnaires around the colleges.

Open Day

- The open day rep [Piers Horne](#) reported that he had no real concerns regarding open day on 13th May. Most colleges will have a rep there, this was arranged by email prior to the meeting. At least one rep from each college should be in the Maths Institute by 11.30am on 13th May. Due to MURC's contribution to changes in the Open Day format Piers felt that good support from reps would be favourable.
