Proud to be local and sustainable

We work in partnership with our suppliers to get the very best ingredients. Our priority is sourcing sustainably. We are committed to buying and using fresh, seasonal produce and we use local suppliers whenever possible. We are committed to reducing food and packaging waste and ensuring each of our sites has a clear Environmental Management System.

Menus

Whilst we have put together an exciting and innovative set of menu for your catering requirements, we are aware that these menu options may not suit every event. If you have something more bespoke in mind, the Events team are on hand to discuss your requirements.

Allergens and dietary requirements

If you have a food allergy or intolerance, please ensure you specify your requirements when booking.

Booking guidelines

All events require a minimum of 14 working days' notice for:

- Final numbers
- Menu choices
- Dietary requirements

Numbers can be adjusted by up to 50 people seven days in advance of your event. After this period, although we will endeavour to accommodate your changes, we cannot guarantee your requests.

If your event notice period is less than the required time, please speak to our Events team as soon as possible. We will try to accommodate requests even at short notice; however, please be advised we may not be able to offer our full menu choice and some contents may need to be changed.

Prices and menu choices are applicable for 2023 and may be subject to change. Prices are quoted exclusive of VAT. Prices displayed are per person unless stated otherwise.

Events held outside of normal office hours (Monday–Friday, 09.00–17.00) will incur an additional charge of £50 per hour per 150 people, so that the building can be safely staffed. While we offer basic AV support for our in-house system, we can also help you arrange additional dedicated in-room support by an external AV company.

Oxford Mathematics is located in the heart of the city.
